Owner / contact	

The purpose of this agreement is to ensure a complete understanding between us. It will describe the scope and limitations of the services we will provide for you. I will be the contact person for this engagement.

## Initial Set Up, What We'll Do

We will assess the:

Client:

Accounts on your balance sheet and income statement Bank Reconciliations Payroll ledgers Subsidiary ledgers Transactions to date ...and if you don't have these, don't worry; we will create them for you.

If you are behind on your sales tax, payroll tax, or IRS filings; we will get you caught up. If needed, we can request historical tax forms from the IRS or State agencies to see exactly where we are.

We will add you to (or move you to) our Wholesale Billing Account at QuickBooks Online (QBO) so you never have to pay them or update software ever again. This will include their state of the art payroll if you need it.

Then, we will balance your general ledger to your subsidiary records and bring the system into compliance with Generally Accepted Accounting Principles; so it is capable of proper tax recordkeeping. If you are already using QBO we will make or make suggestions for improvement in areas where we see errors and improper use of QuickBooks Online. We will also identify areas where you may not be utilizing the software to the fullest. These include customizing reports and forms, changing QBO preferences, and adding features such as class or location tracking. We will answer your questions on you the software and provide personalized training as needed.

### What We DON'T Do

We do not at any time provide legal services of any type. We have not been requested to discover errors, misrepresentations, fraud, illegal acts, or theft, and therefore, have not included any procedures designed or intended to discover such acts, and you agree we have no responsibility to do so.

### What We Need from You

For Monthly Bookkeeping Services, <u>you will be required to login to your bank thru QuickBooks Online</u>. We WILL NOT have access to your money. We will NOT have a record of your password. This will only allow us to download the exact same information that we could see on the bank statements. The only way we can offer discounted prices is to automate our processes. Call if you have questions about this.

Also, during initial set up, we will need to obtain items such as (if available) your existing QuickBooks data file (or similar software) and supporting documents such as check registers, bank statements, uncollected customer invoices, sales ledgers & receipts, purchase orders & unpaid vendor invoices (aka "bills"), and complete payroll information. Other items needed by us include 'answers to our questions' and 'any other information' that we may require to complete the work of this engagement. These items and any other items that we obtain from you will be based on information provided by you and will be used without any further verification or investigation on our part.

### On a monthly basis:

We must receive your bank statements as soon as possible with check images. If we cannot tell who the check is payable to, we will need to get that information. NOTE: Again online access to bank accounts, are a requirement for the discounted rates of this proposal. If manual data entry is required, it will be billed at our clerical hourly rate. This will be communicated to you in advanced of the work being done.

## <u>Included in the monthly fee:</u>

We will reconcile your bank and investment accounts (up to 5). Process your sales tax report and payment(s).

Review your payroll reports from QBO or other payroll processor and make adjustments to the accounting records as needed.

Review and deliver pdf's of monthly financial statements to you by the 20th via email.

We will be your business coach to help you achieve long term success by offering 1 hour per month of addition accounting work, consulting, or clerical service (non-cumulative). Just call.

#### Annually:

Prepare annual financial statements by March 1st of each year. Issue the annual 1099's and the annual property tax rendering.

W-2, W-3, 941, 940, and State U/E reporting will be done by QB Payroll.

We will be your business coach to help you achieve long term success by offering 1 hour per month of addition accounting work, consulting, or clerical service (non-cumulative).

AND AT NO ADDITIONAL CHARGE, prepare your annual business & personal state + federal income / franchise tax returns.

### When We'll Do It:

Fees \*

The initial set up is estimated to be completed in 30 days.

Monthly work WILL be completed by the 15th of the next month (or next business day if 15th is not) or 10 business days after receipt of the end of month bank statement (whichever is later). Annual work for monthly payers will be completed by March 1st of the next year.

# **Hardware and Software Warranties**

During the course of the engagement, we may recommend a purchase and installation of computer or technological hardware, software, communications, or services by your company. Warranties, to the extent they exist, are provided only by the manufacturer/vendor of those computer products.

## Services Outside the Scope of this Letter

You may request that we perform additional services at a future date not contemplated by this engagement letter. If this occurs, we will communicate with you regarding the scope and estimated cost of these additional services. Engagements for additional services will necessitate that we issue a separate engagement letter to reflect the obligations of both parties.
